

Understand Your Meal Plan

Browse your options at washjeffdining.com

- All first-year students are required to have a 19 Meal Plan.
- Transfer students, choose a plan that fits your needs:
 - Do you enjoy waking up for breakfast?
 - Will you be around on the weekends and want to eat on-campus?
 - Do you like an occasional coffee, bottled drink, or snack from **G&T's Grill** and **X'Prez'O**?
- Commuter students benefit from having a meal plan in many ways:
 - Swipe and dine access at all dining locations on campus.
 - No need to worry about food prep or meal planning.
 - Not having to find a parking spot because you left campus to eat.

Explore Your Options

From the main dining hall to our retail outlets, get to know our locations:

- Take advantage of meal exchange by using a meal swipe for a combo meal at **G&T's Grill** and **X'Prez'O** during select hours.
- Use your **Jay Cash** to buy non-meal exchange menu items like handcrafted coffees, Chef Fresh™ grab-and-go items, and other tasty bites.
- Jay Cash works just like a debit card; choose your items for purchase and the total price of items is deducted from your balance when you present your student ID card at the register.
- Save time and skip the lines by downloading **Transact Mobile Ordering** app and setting your location to W&J Dining.
